

EMPOWERED!

Centre updates

HO-HO-HO-VERWHELMED WITH COMMUNITY SUPPORT THIS CHRISTMAS!

Annual Adopt-A-Family campaign a jolly success, while Advent Calendar event exceeds fundraising goal!

The Sudbury Women's Centre would like to thank each and every Adopt-A-Family donor for decking our halls with beautiful gifts for our clients this year! Because of you, **57 families (that's 174 individuals!)** ho-ho-homes were merrier and brighter this Christmas!

From December 1st-25th, we hosted an online Advent Calendar Fundraiser event, which in total raised over **three times** our original goal of \$2,500! Santa's Elves must have been hard at work behind the scenes, because we were able to raise a jolly **\$8,539 in support of local women!**

THANK YOU!

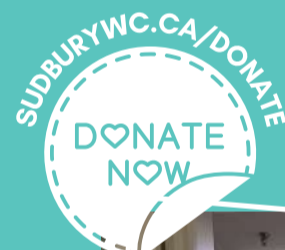

FROM A RIPPLE TO A WAVE, YOUR MONTHLY GIFT HAS POWER!

We have seen a steady increase in the number of women and children needing assistance. We are facing an immediate & growing need for donors to help us provide basic needs, hygiene items, clothing and support.

Your contributions are *life-changing*.

100% of your donation goes directly to supplying our clients with hygiene items, programming, supplies, and more.

Please consider becoming a monthly donor. It's easy to sign up! *Simply fill out our online donation form once and you'll be inspiring a long-term impact in your community!*

Food Basics on Notre Dame Christmas food hamper donation

It was the most wonderful time of the year for the Sudbury Women's Centre as we prepared and packaged our annual Christmas Food Hampers for our clients! These hampers were generously donated by Food Basics on Notre Dame, a wonderful community partner of ours.

We would like to take a moment to thank Food Basics on Notre Dame for their continued support given to our clients around the holidays, and for their contribution of these holiday feast boxes, which helped us to feed a total of **10 families** this year!

That's \$1,000 in groceries combined!

Thank You! 

LOPES

During our first ever virtual trick-or-treating event, "Triple Your Treat," the Sudbury Women's Centre was approached by **Lopes Limited** - a mining company based out of Coniston - with a **\$3,000** donation. This donation was used to purchase much-needed basic needs items for our clients. We could not be more grateful to our wonderful community partners, both new and established, for their incredible support!

During the month of December, a significant donation was made to the Centre by **Canadian Tire staff on Regent Street** in Sudbury. Thank you, Canadian Tire staff!
