Centre updates

BOOBIE BRA DRIVE OFF TO A SPOOK-TACULAR START!

Throughout the month of October, we will be collecting new bras (as well as underwear, socks and hygiene items) in support of our clients. Because access to basic needs shouldn't be scary.

We also have drop-off points spread throughout the city, thanks to our local partners! You can find a BOObie Donation Bin at the following locations:

- MyHealth Centre - Larch Street Location: 65 Larch Street. Suite 103
- House of Bras: 765-A Lasalle Boulevard
- Connected Living: 2152 Long Lake Road
- YMCA: 140 Durham Street
- La Senza: 1349 Lasalle Boulevard Unit 43A
- Round Two Fitness: 1060 Lorne Street Unit 6
- Vita Chiropractic and Wellness Centre: 1060 Lorne Street Unit 6

Connected Living hosted a special "Yoga in Your Knickers" event on October 14th, where women attended the yoga session with their undergarments over their clothes, while bringing in donations of new undergarments in support of the Centre.

Round Two Fitness will also be hosting a "bras on the outside" workout fundraiser, with more details to be announced.

THRIFTY THURSDAYS

Over \$1,260 has gone back into our community closet as a result of our new Thrifty Thursday initiative, which helped purchase much-needed basic needs items like hygiene, new bras, socks, and underwear for our clients.

Thrifty Thursdays were created to help support the growth and sustainability of My Sister's Closet for those who need it most, with clothing and accessories available to all members of the public starting at just \$1.00! (Women, men, and non-binary individuals welcome!)

**Please note that clothing remains free for our clients or those going through difficult life circumstances during regular business hours.

*Clothing remains free for our clients, or those going through difficult life circumstances. Thrifty Thursdays was introduced to sustain closet operation, and to continue to grow it to be more accessible for those who need it most.

During our second virtual trick-or-treating event, "Triple Your Treat," Lopes Construction, a mining company based out of Coniston, donated once again. We would like to thank Lopes for their ongoing support and partnership. With their help, we were able to purchase essential hygiene items for over 300 women in our community. We could not be more grateful to our new and existing community partners.

On September 24th, The Mexican Heritage Association held a Mexican Independence Day party, with part of the proceeds going to the Sudbury Women's Centre. They were able to raise \$1,000 for our Centre! We continue to be humbled by the generosity and ongoing support of our Sudbury community. Thank you to The Mexican Heritage Association and all those who contributed!

We had the pleasure of welcoming Amanda Thirkill, owner of Amanda Thirkill Photography into our Centre in August as she so graciously volunteered her time and skills. We had a great time behind the camera, and the final images were simply beautiful. Keep an eye out for her images on our social media, website, and more!

Thank you Amanda!

Amanda Thirkill Photography donated over \$2,500 in in-kind photography services to the Centre!

Thank You! AMANDA THIRKILL
